PLUMBING & HEATING SUPPLY

NOW AVAILABLE AT FRONTIER!

GF 200

With GREEN FURNACE Technology

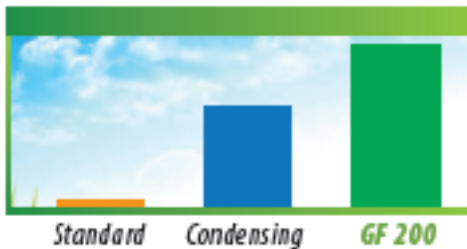

The GF200 is a great new space saving product without compromising daily needs.

Use heat and DHW at the same time with a staged priority.

NTI brings Innovation together with technology one more time!

The Game Changer in the Furnace Industry...

- ▶ **96% Efficient under P9 Testing**
- ▶ **10:1 Turndown Ratio**
- ▶ **Tankless and Furnace in ONE cabinet**
- ▶ **Save on installation with half of the material**
- ▶ **The only P9 certified unit on the market**
